Tyler Kramer is 13-years-old and has Type 1 Diabetes. There is no cure yet for diabetes, so Team Tyler will be bowling at Wonderland Lanes to raise money for the Tour de Cure, the premier cycling fundraising event for the American Diabetes Association. Funds raised will also go to support D.R.E.A.M. (Diabetes Research & Education Advocates of Michigan), formerly the Grodman Cure Foundation.

There are many ways you can support Team Tyler:

- Bowl on May 17<sup>th</sup> at Wonderland Lanes
- Make a donation to Team Tyler
- Register for the ride and join Tyler's Team on Sunday, June 14, at Island Lake Recreation in Brighton
